**KERRY INVESTORS EYE
UP GERMANY MOVE
TRALEE – Kerry investors will
get a second bite of the lucrative
commercial property cherry this
month, as Real Estate Alliance
and Young-fields COP launch a
syndicated commercial property.**

The €4,35 million property is in Sindelfingen, Germany. Sindelfingen is located just outside Stuttgart and the promoters expect that the opportunity will be attractive to investors who want a turnkey geared commercial property with high rental yields from the fully let building.

Youngfields OCP and Real Estate Alliance had significant success with their first joint offering in Herrenburg Stuttgart in October of this year, according to Finbarr Flahiv (Youngfields): *'We are looking forward to bring more quality commercial investments to the Irish market via the Real Estate Alliance Group.'*
